¹ Convertible note interest adjustment is included to reconcile the previously reported financial amounts to GAAP amounts, following the Company's adoption of a new accounting standard in the first quarter of fiscal 2009 which required the Company to retroactively recognize additional non-cash interest expense based on the market rate for similar debt instruments without the conversion feature.

² Costs related to the Golf Galaxy and Chick's Sporting Goods integration total \$18.4 million, which includes \$15.9 million of pre tax "merger and integration costs" and \$2.5 million included in the Company's provision for income taxes reflecting the "tax impact of non-deductible executive separation costs". The net income impact of merger and integration costs equals \$12.3 million, which includes \$9.8 million for the after tax amount of "merger and integration costs" and the \$2.5 million included in the Company's provision for income taxes reflecting the "tax impact of non-deductible executive separation costs."

³ The goodwill impairment charge of \$111,312 is not deductible for tax purposes.

The provision for income taxes for the aforementioned adjustments were calculated at 40%, which approximates the Company's blended tax rate, excluding the impact of the goodwill impairment charge of \$111,312. Additionally, the provision for income taxes relating to merger and integration costs includes \$2.5 million reflecting the "tax impact of non-deductible executive separation costs" discussed above.
